Dear English Student,

Welcome to our program. The ESL program at New Covenant Presbyterian Church is staffed by volunteers from the church. We serve because of God's love for all people from every nation. We believe God wants us to help you learn English and about our American culture while you are adjusting to or visiting our country. We also would like you to become familiar with some of the basics of our Christian faith.

Some of our ESL students know little or no English; others have studied English in their home country. Many can read and write English but need practice in English conversation. We try to meet the needs of students at all levels. Instruction includes grammar, pronunciation, reading, and American culture and customs. Part of the reading material and discussions of holidays and traditions may include Christian teaching.

Remember, you will learn English faster if you attend classes regularly and practice English outside of class.

We pray that God blesses you through your time at New Covenant Presbyterian Church and that you have a pleasant transition into or stay in America. We look forward to getting to know you.

~From the ESL Staff

*Declare His glory among the nations,  
His marvelous works among all the  
peoples! For great is the Lord,  
and greatly to be praised.
